On August 12, 2023, the oldest mining company in the Philippines celebrated its 120th year of operation. Benguet Corporation (BenguetCorp) exemplifies the Filipino quality of resiliency and determination as it not only withstood the test of time but more importantly has grown fully capable of addressing the challenges of the modern era. From its humble beginning as the pioneering mine in the Cordillera, BenguetCorp has evolved into a progressive and diversified corporation which is not only profitable and sustainable, but socially responsible.

Aside from its mining ventures, BenguetCorp has expanded its portfolio to include real estate, logistics, agribusiness, renewable energy, construction and health care. Diversification is the primary theme in this year's celebration which is marked by simplicity and significance. It will launch before the year end a company history book and issue a commemorative stamp to mark this important milestone.

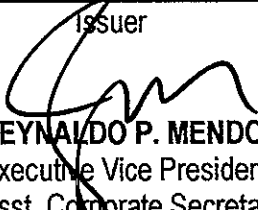

As it soars high into the future, BenguetCorp is steered in the right direction by tis dynamic leadership at the helm, nurtured with the lesson of the past, leveraging on its hard earned resources and driven to be a major player and contributor to the nation's economy as it moves to the post pandemic stage.
