In compliance with the disclosure rules of the Securities and Exchange Commission (SEC) and Philippine Stock Exchange (PSE), please be informed of the press release of the Company, which shall be published in selected newspapers, as follows:

Listed miner, BENGUET CORPORATION (BC), registered Php4.03 billion consolidated revenues in 2022, surpassing by 5% the Php3.84 billion revenues the previous year. The revenues were sourced mainly from nickel, gold, and lime sales. The Company sustained its strong performance with operating income that rose from Php1.57 billion in 2021 to Php1.66 billion in 2022. After tax net income stood at Php1.33 billion lower compared to Php1.42 billion in 2021 as fluctuations in non-cash revaluation adjustments decreased but still commendable given the current economic volatility due to pandemic hangover. The upward trend was supported by elevated metal prices and favorable foreign exchange that prevailed through most of the year.

During the 68th Annual National Mine Safety and Environment Conference held on November 18, 2022, the Company's nickel subsidiary, Benguetcorp Resources Management Corporation, was the recipient of Platinum Achievement Award – Surface Mining Operation Category, and Irisan Lime Project (ILP) of the Company was awarded Safest Mineral Processing – Calcining Plant Category Award – Runner-up.

These awards are testament to BC's sustainability endeavors and commitment as a responsible mining company.
