This is to apprise the investing public that Benguet Corporation and its subsidiaries are taking protective measures against the ongoing COVID-19 outbreak so that its existing operations and future projects are not affected.

The Company and its subsidiaries are currently implementing precautionary strategies and procedures to address the COVID-19 risk in the workplace that will safeguard the health and safety of its workers and contractors at the mine site. It has adapted the guidelines on 2019-NCov prevention and control at the workplace as provided under DOLE Labor Advisory 04-2020. Among others, increased hygiene and regular cleaning of offices and work areas with disinfectant as well as screening of body temperature and other health conditions of workers and clients/visitors before entering work premises, are being observed. The guidelines for flexible work arrangement under DOLE Labor Advisory 09-2020 may also be considered in the event it becomes necessary. In case of virus exposure and danger of transmission within the workplace, the management is preparing a contingency plan so that mining operation will be sustained even with reduced workforce so that business disruption is minimized.

With regard to our nickel shipments in Zambales, our subsidiary, BenguetCorp Nickel Mines, Inc. (BNMI) is strictly complying with the protocols and restrictions issued and being implemented by the Bureau of Custom, Bureau of Quarantine, Coast Guard and LGU in all sea ports when it comes to loading of nickel to foreign vessels. Quarantine period for incoming vessels are mandatory. Medical monitoring of local workers doing stevedoring jobs are being done before and after the shipment period.
